DTMB Executive Team – Troy Bos
Monthly Management Report
Updated 8/22/14

Optional

- Best practices to share with DTMB Leadership: (if any) N/A

- Nominate a colleague(s) for recognition:

Mandatory

Other Accomplishments and Activities:

New Lease Management Software (on-going)

- CoStar Real Estate Management - Statement of Work being drafted and RPF expected at the beginning of new fiscal year.

Private Retail and State as Lessor

- Detroit Wayne Mental Health Authority will make a decision during the month of September for occupancy at Cadillac Place.
- Subway has officially been extended for five additional years at Cadillac Place.

<u>Other:</u>
Multiple Compliance Issues – Assigned and Unassigned Projects.

- Projects that will involve executive involvement:
  - DHS Highland Park (Fire Suppression System)
  - DHS Flint McRee (Parking Structure)

- Projects where Design & Construction is assisting:
  - DHS Flint McRee (Parking Structure)
  - DOE Michigan School for the Deaf (ADA Ramp/Emergency Generator/Humidification Upgrades)
  - DHS Alpena (HVAC)

Training: RADAR/Depot Buy & ITRAC usages

ITAM Liasion – Internet Explorer 11 being tested on four Real Estate machines and cleaned up workstation listing for next billing cycle. Ordered a new laptop for Design Section Autocad/Revit software and Building Operations will loan us a temporary laptop until new machine arrives.

Information Management Committee– No update

DTMB Real Estate Division

Importance: High

Bob –
Are you or your office aware of this issue? Please see the attached.

I don't know if you have any other leases in the Flint area but I wanted to be sure your office knows this information.

Is there something we need to do?

Thanks

James Shilling
Facility and Department Manager
Office of Financial Management

Subject: Flint Water

As requested..

They need to hook back up to Detroit water and pay the price ☺

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

City of Flint Did Not Meet Treatment Requirements

Our water system was recently found to be in violation of a drinking water standard. Although this incident was not an emergency, as our customers, you have a right to know what happened and what we are doing to correct this situation.

We routinely monitor for the presence of drinking water contaminants. Samples were collected for total trihalomethanes (TTHM) analysis from eight locations on a quarterly basis (May 21, August 21, and November 20 of 2014). The average of the results at **ANY** of the eight locations must not exceed the maximum contaminant level (MCL) for TTHMs, otherwise our water system exceeds the Maximum Contaminant Level (MCL). The standard for TTHMs is 80 ug/L. The location reporting the highest TTHM level was 94 ug/L. Thus, our water system exceeds the TTHM MCL.

What should I do?

- There is nothing you need to do unless you have a severely compromised immune system, have an infant, or are elderly. In that case, you may be at increased risk and should seek advice about drinking water from your health care provider.
- You do not need to boil your water or take other corrective actions. If a situation arises where the water is no longer safe to drink, you will be notified within 24 hours.

What does this mean?

This is not an emergency. If it had been an emergency, you would have been notified within 24 hours.

People who drink water containing trihalomethanes in excess of the MCL over many years may experience problems with their liver, kidneys, or central nervous system, and may have an increased risk of getting cancer.

What is being done?

We are currently working on solutions to correct the problem. We anticipate resolving the problem in 2015.

For more information, please contact Mr. Brent Wright or Mike Glasgow at 810-787-6537 or the Water Plant at 4500 North Dort Highway, Flint, MI 48505.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.

This notice is being sent to you by the City of Flint.

CERTIFICATION: F1 S3 WSSN: 02310

I certify that this water supply has fully complied with the public notification requirements in the Michigan Safe Drinking Water Act, 1976 PA 399, as amended, and the administrative rules. Reminder to water supplier: This notice/ certification must be sent to the DEQ.
